DIRECTOR'S CORNER

Greetings— Welcome to May!

As we embrace the beauty and warmer weather of this wonderful month, let's not forget to remember there's so much to celebrate and enjoy. From the bright rays of the

May sun to the colorful blossoms all around, May truly enchants us with its splendor.

This month, we have a number of exciting goings on to keep to of mind. On May 2nd-3rd be sure to remember your favorite Senior Center for Give Local York 2024's 24 hour period of giving.

Let's also be sure to honor the incredible women in our lives on Mother's Day. Whether it's your mom, grandmother, aunt, or another maternal figure, take the time to show them love and appreciation for all they do and have done. A heartfelt gesture or a simple "thank you" can brighten their day and make them feel cherished.

So let's make the most of this marvelous month, filled with love, laughter, and endless possibilities. Here's to a May filled with memorable moments and delightful discoveries!

Be well, & until next time...

Give Local York - May 2nd & 3rd

Give Local York is a 24-hour online giving spree, presented by Giant and the White Rose

Leadership Institute, to benefit hundreds of York County non-profits, including Red Land Senior Center on 5/2 and 5/3. The goal is simple: inspire York Countians to come together, show pride in their community, and contribute to support the life-changing work of local nonprofits. Simply go online to www.givelocalyork.org and type 'Red Land Senior Center' in to the site's search bar. You will then be able to make a secure, online donation. Donations can only be made through this website starting at 9:00 PM on 5/2 through 9:00 PM on 5/3 or donations may be accepted in person at the center or by mail prior to 5/2. Please make sure to write Give Local York in the memo line of your check so it may be counted towards credit for matching funds and county wide stretch pool funds. No amount given is too small, we appreciate your generosity!

The 2024 goal is to raise: \$18,000 for Red Land Senior Center
